Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record disclose a semiconductor device comprising a layer of a second conductivity, a layer of a first conductivity, a source electrode formed in a trench cavity surround by a first heavily doped region of the second conductivity type, a drain electrode formed in a trench cavity surrounded by a second heavily doped region of the second conductivity, and a gate electrode formed in a trench cavity having a sidewall in contact with the first heavily doped region, located on one edge of the layer of the first conductivity, and between the source electrode and the drain electrode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
